STANDING IN THE
LIGHT IT'S HARD TO
SEE WHAT'S IN THE
DARKNESS,
STANDING IN THE
DARKNESS IT'S EASY
TO LIVE IN FEAR

PUNISHED BY LACK OF
MOVEMENT
IN THE CHAMBER OF
KINESTHESIOLOGY
SHE HAD FEATHERS AS
WEAPONS
AND I HAD MY LAST LIFE'S
TOKENS
MY PIGGY BANK
AND IT WAS HOT TEARS
THAT TURNED TO SWEAT
THEN THE KEG WAS
TAPPED AND FLOWED THE
BEERS
AND THE HEART WAS FULL
AND THE MIND CLEAR
IN THE ANIMAL KINGDOM,
WELCOME AGAIN

THERE IS WORK TO DO
AN OUTLAY OF PROMISSORY
POSITIONS
YOU CLEAN THE BEACH AND
I'LL FILTER THE WATER
OR MAYBE, THE OTHER WAY
AROUND
TRANSCRIBE TO CONSCRIBE
SUCH CONSCRIPTION
O SO NECESSARY
COMPLETE THESE TASKS
AND YOUR LAND IS YOUR
OWN
FESTIVE FIRE FOR THE
FLAME OF DESIRE
MAY YE BE ALWAYS ON THE
FOUNDATION

A LAW THAT
STANDS FOR ALL
A PATIENT
RIGHTEOUSNESS
A CLAUSE
BETWEEN
FORGOT FORFEIT
AND FORTUITOUS

DISPOSSESSED AND DISENFRANCHISED
WHO WANTS A TICKET TO A FALLEN EMPIRE?
I'VE GOT YOUR FREE RIDE RIGHT HERE
AND WHEN YOU ARRIVE SAY YOUR ME

THERE IS A PACKAGE IN TOW
IT'S AN OLD TALE OF SORROW
IT'S YOUR TURN TO CARRY THE GRIEF
I'M SORRY, I CLAIM THE RELIEF
SO FIRST AROUND THE TABLE
LAST TO GRAB THE CHAIR

THEIR MISSION INDISPOSED
THE CLOSING OF A COLUMN
A CALL OF THE CROWS
A TALLER OR SMALLER MAN MUST HAVE
THE EMPTY SPACES MUST MEAN THAT WE'RE FULL
THE CLOSET HAS BEEN HOLDING THE WOOL
SOME SAY YOU DON'T KNOW HOW TO USE THE TOOL
OTHERS, THAT YOU'VE BEEN LOST IN THE MULL

*THE WORLD MUST LEARN TO
OPERATE ON THE PRINCIPLES
OF LOVE RATHER THAN FEAR.*

WHAT YOU DON'T UNDERSTAND MIGHT NOT YET UNDERSTAND YOU

WE WERE JUST CHILDREN

WHEN WE TOOK A LOOK
AND NOW WE ARE OLDER
AND IT'S ALL IN SOME OLD BOOK
NO
IT'S NEW RENEWED AND BRAND NEW
COULD YOU IMAGINE WHAT STRANGE BREW
WHEN YOUR OWN TURNED ON YOU
IT WAS ONLY FEAR AND WHAT FEAR WILL DO
SO WE WENT WALKING TALKING OF
THE WORLD OF THAT MAY BE
AND I WENT WILD AND SILENT
BECAUSE IT WAS OPEN AND
PLANNED

PATENT YOUR DIGITAL PRODIGY

AS IF GOD IS YOU AND ME
CLOSE THE GATE AND BREWING TEA
I CAN SPY YE PHILOSOPHY
IN THE WAYS OF PROPHECY
SPEAK WITH LEGACY
PREVALENT WITH ELEPHANTS
AND THE SMALL FISH 2
WISH YOU
THE BEST
NO STRESS ON MY CHEST
DESIGNING THE CREST
WHOM BE BLESSED?
TOSS OUT THE REST?
BATTLE ZONE BOMBS
AND YOUR WEARING A VEST?
IT'S TRAGEDY AND YOUR TRACKING ME?
I FIND LOVE DEEP IN COMEDY
WHAT OTHER CHOICE I HAS

THE BRIGHTEST STAR

IN THE SKY
STILL WONDERS
WHY
THE GRAVES OF THE STOLEN
WAITING TO RISE
TRUMPETS AND SAXOPHONES
CAN ONLY DISGUISE
THE WONDER AND THE
WANDERING WONDER
I'LL WRITE THE FORWARD APOSTLE
INTO A NEW BOOK
WATCH AND LOOK

I WATCHED BY BROTHERS CROSS THE LINE

I CAN HELP YOU NO LONGER
WHEN YOU TURNED ME IN
I SAW THE TRUTH
WHEN I WOULDN'T GIVE IN
I LOST MY YOUTH
AND IN THE SUN
THERE WAS A RETURN
TO THE DREAM
VISIONARIES BELIEVERS AND PROPHETS
HEAVILY OUTWEIGH PHARISEES AND
SOOTHSAYERS
SO HEAVILY, OH MY
AARON'S ROD AND MOSE'S STAFF
THESE SNAKES SHOULD HAVE
STAYED HIDDEN IN THE GRASS
SO NOW I'M UP BEFORE THE SUN
WITH RECIPES FOR THE EEL
ON HOW TO DEVOUR
IT'S NEXT MEAL
AND IF IT DON'T DO IT'S JOB
THEN I'LL EAT THE EEL
WHOSE TO SAY WHOSE JOB IT WAS
TO DEFEND THE WHEEL

YOU SHOULD STUDY, SO I DON'T HAVE TO

JUST PASS YOUR PAPER
TO ME
AND I'LL MAKE SURE
THE TEACHER
NEVER SEES
IT'S A QUESTION OF ETHICS
AND IT'S AN ECONOMY OVER SEAS
IT'S A PRACTICE AND METHOD
THAT SOME MAY NEVER SEE
IN THE MILITIA YOU COULD BE
SOMEBODY
AS A CIVILIAN
IT'S EVEN HARDER TO GET FREE

WE HAVE BEEN SINGING

A SIMILAR TUNE
WE'VE BEEN FLOATING
NEXT TO ONE ANOTHER
IN A DIFFERENT COLOURED BALLOON
MY TRAMPOLINE IS YOUR TRAMPOLINE
IF YOU CAN JUMP HIGH
NOW STAMP MY CLOTHING
WITH THAT SWEET DESIGN
AND SEND ME AS A MESSENGER
EVEN THOUGH WE BOTH KNOW BETTER
I'LL EAT THE LEFT OVERS
IF YOU PROMISE A NEW MEAL
GIVE ME A GOAL TO HOVER
THAT I DON'T HAVE TO SEAL
NO ONES REALLY LISTENING
THEIR MINDS ARE BUSY
SO WE ARE DANCING
JUST KEEPING BUSY
THE MOVEMENT OF THE GALAXIES
PLAYING OFF AN ANCIENT SYLLABLE

I'M REALLY SORRY HONEY
THEY TAUGHT YOU TO TRADE
YOUR BODY FOR MONEY
THEIR TIME IS COMING NOW
WAR HEROES IN BACK ROOMS
WITH CIA PIMPS AND HANDLERS
OPERATING UNDER THE WILL
OF TYRANNICAL SOCIOPATHIC BULLIES
EACH COUNTRY WITH A SIMILAR STORY
AWAKING TO THE ENVIRONMENT CAUGHT
BETWEEN A POSSIBLE HEAVEN AND A HELL
LIKE IF WE HAD THE POWER
WHAT GOOD COULD WE DO
AND IF THEY KEEP THE POWER
WHAT AWAITS IN THAT ABYSMAL PIT?

QUESTIONNAIRE STATES YOUR NAME
YOU THOUGHT IT WAS A GAME
THEY COLLECTED YOUR FAME
THE GOAL WAS TO BE TAME

SOME OF US CHOSE A LIFE OF PEACE
ONLY TO BE FOLLOWED BY THE BEAST
AND OUT COMES FURY UNKNOWN

THE ONYX STONE

FINISH UP YOUR CHORES
MEET ME BY THE STORE
I'VE BEEN WANTING MORE
BEHIND ME I MIGHT CLOSE THE
DOOR

YOU KNOW MY EYES ARE SORE
FROM ALL YOU'VE SHOWN ME
NOW

WHAT'S THE USE TO SOAR
WHEN I CAN SOLVE, WHEN I
KNOW HOW

MAKE DILEMMAS LARGE
SO YOUR OWN SEEM SMALL
IF YOU DON'T PACK PROPERLY
I'M THROWING OUT IT ALL
I'VE BEEN PATIENTLY WAITING
UNTIL MY BODY RESENTS MY
SOUL

UNTIL MY MIND SOLVES THE WOE
UNTIL YOU STOP CAUSING WAR
I DON'T REMEMBER WHAT
PERFECT PEACE
LOOKS LIKE
CAN SOMEONE HELP ME
REMEMBER
FORGET IT. I'LL BUILD A NEW.

HOW MUCH DOES IT COST
FOR ME TO BUY YOUR VOTE?
HOW MUCH WOULD IT BE
FOR ME TO DOUBT YOUR
HOPE?

WOULD IT BE EXPENSIVE
IF I TESTED YOUR PRIDE?
WILL WE HAVE A LOT TO SAY
WHILE WE STAND IN LINE
WILL SOMEONE GET OUT OF
THE WAY

WHEN THEY HEAR ME WINE
IS IT ALOOFNESS AND
PROSPERITY CAN BLEND OUT
THE DISPARITY

IS THIS THE MADNESS YOU
WERE PREPARING ME?
BECAUSE I SEE A LOT OF
OPPORTUNITY

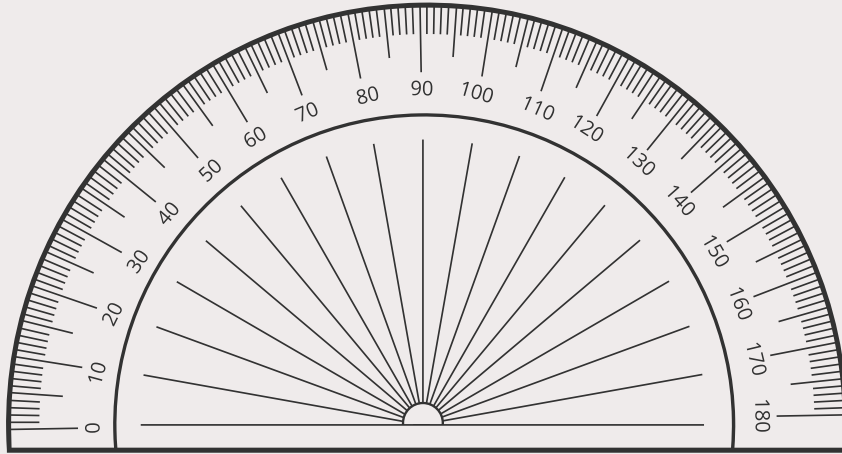

WE CAN SEE THE DREAMS
IN BOOKS AND MOVIE
SCREENS

WE CAN SEE EACH OTHER
AND I WON'T LET YOU GO

AND SO, PERHAPS
THE WORD SUFFER
WAS A
MISTRANSLATION
OF THE WORD
ENDURE

I WENT TO LEARN FROM THE WELL
IT WAS SURROUNDED BY MEN
AND THEY DRESSED
LIKE EACH OTHER

Short parables and tragic histories combined, intertwined

Fast forward and rewind

This time, we see the wave coming

A non reluctant distinction between

Destruction and Extinction

A capital rises while an empire changes over

And once again the people

Overpower the fear of loss

Without riot, working within the chambers

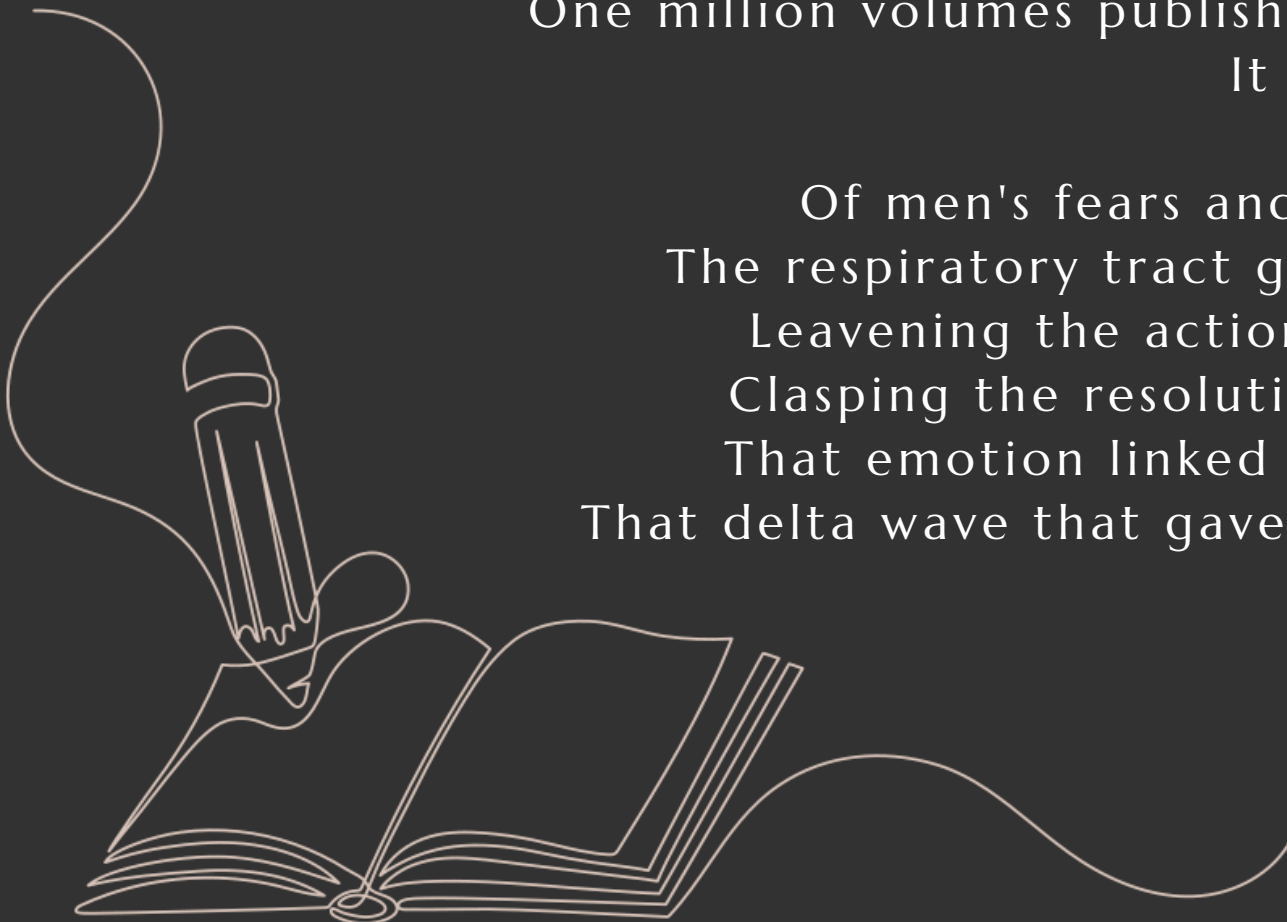

Using the mix of Roman and Biblical laws

English and Scottish, African and Spanish

From Methuselah to Victor Jara

CAN YOU READ IT AS FAST AS I WRITE

One million volumes published in a single night
It was a single's night
Alone in the fright
Of men's fears and animal inspiratory
The respiratory tract giving rise to breath
Leavening the actions of life and death
Clasping the resolution of chemical test
That emotion linked to the omega third
That delta wave that gave the alpha his word

THE MATHEMATICS OF DEVOTION
AN EQUATION OF SATISFACTION
IF YOU LET GO OF FEAR
WHAT DOES THAT MEAN?
THAT YOU IGNORE THE OTHER ORBITS
OF PLANETS ON CLASH COURSE
WITH SWEET HOME
I SHOULD TELL MY OPINION
REGARDLESS
OF THOSE OF OTHERS
SOME IDEAS THEY SAY
WERE ATTACKED BY BROTHERS
SMOTHERED BY MOTHERS
IF WE CAN STOP THE HATE
BEFORE IT FORMS
IN TO A HARD PLATE
THAT WE HAVE TO BREAK

12 DISCIPLES

12 JURIES

16 CHAPELS

19 KEGS

23 ORDERS

OF CONFIRMATION HE AWAITS
WADING THROUGH EYES OF HATE
LIKE THE DESIRE
TO SEE PEACE

CAN OVERCOME THE MADNESS
OF THESE COUNTRIES AND THEIR LEADERS

I'M STANDING IN THE GARDEN
WITH PICTURES OF YOUR FACES

READING OUT THE LIES

STUDYING EACH SPECIFIC CASE
DIFFERENT TONGUES SPEAKING OUT OF TURN
TRYING TO UNDERSTAND WHAT TO LEARN
SITTING BY THE WATER

IGNORING THREATS OF THE SKY WILL BURN
AS IF THESE COWARDS DON'T FEAR DEATH

AS IF THESE FAKE LEADERS DON'T FEAR
THEIR OWN SHADOWS

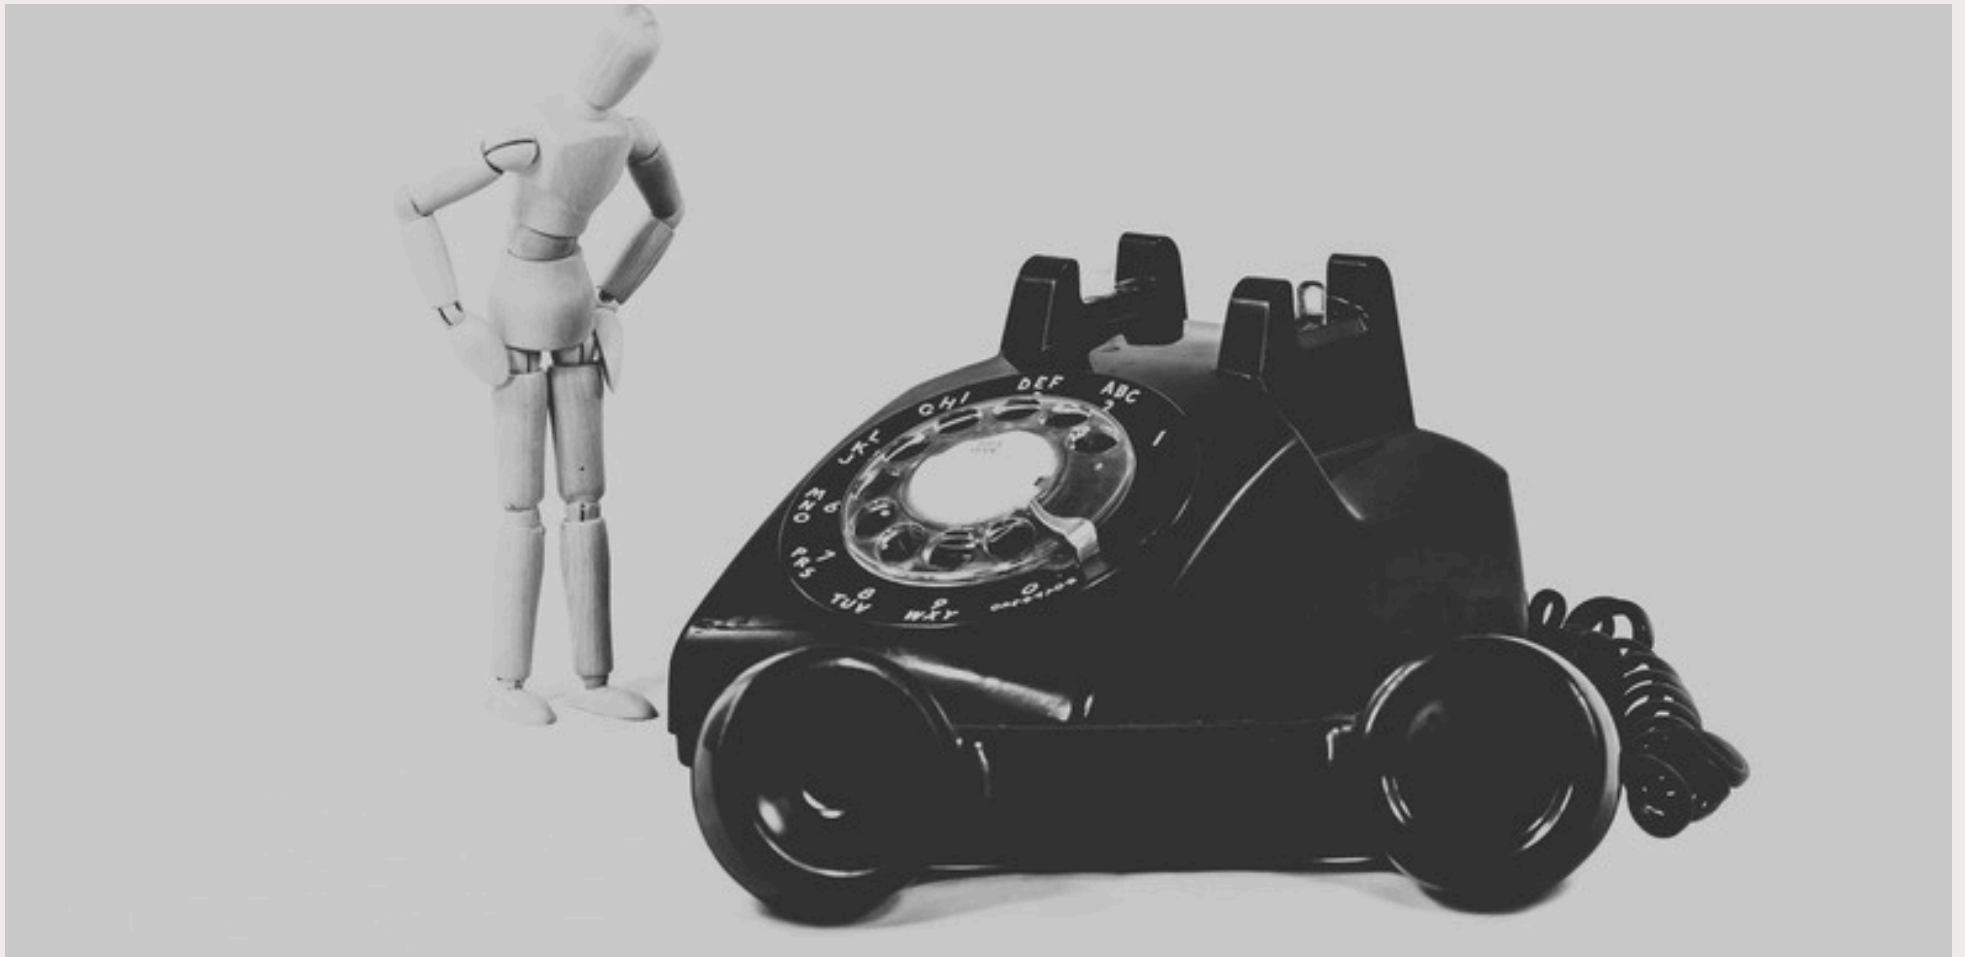

SENDING SOLDIERS INTO BATTLE
AND YET WOULDN'T THROW A GRAPE

IN

A

FOOD FIGHT

IT'S YOUR GRADUAL, SLIGHT, IMPERCEPTIBLE
CHANGE IN YOUR OWN BEHAVIOUR AND
PERCEPTION THAT IS THE PRODUCT.

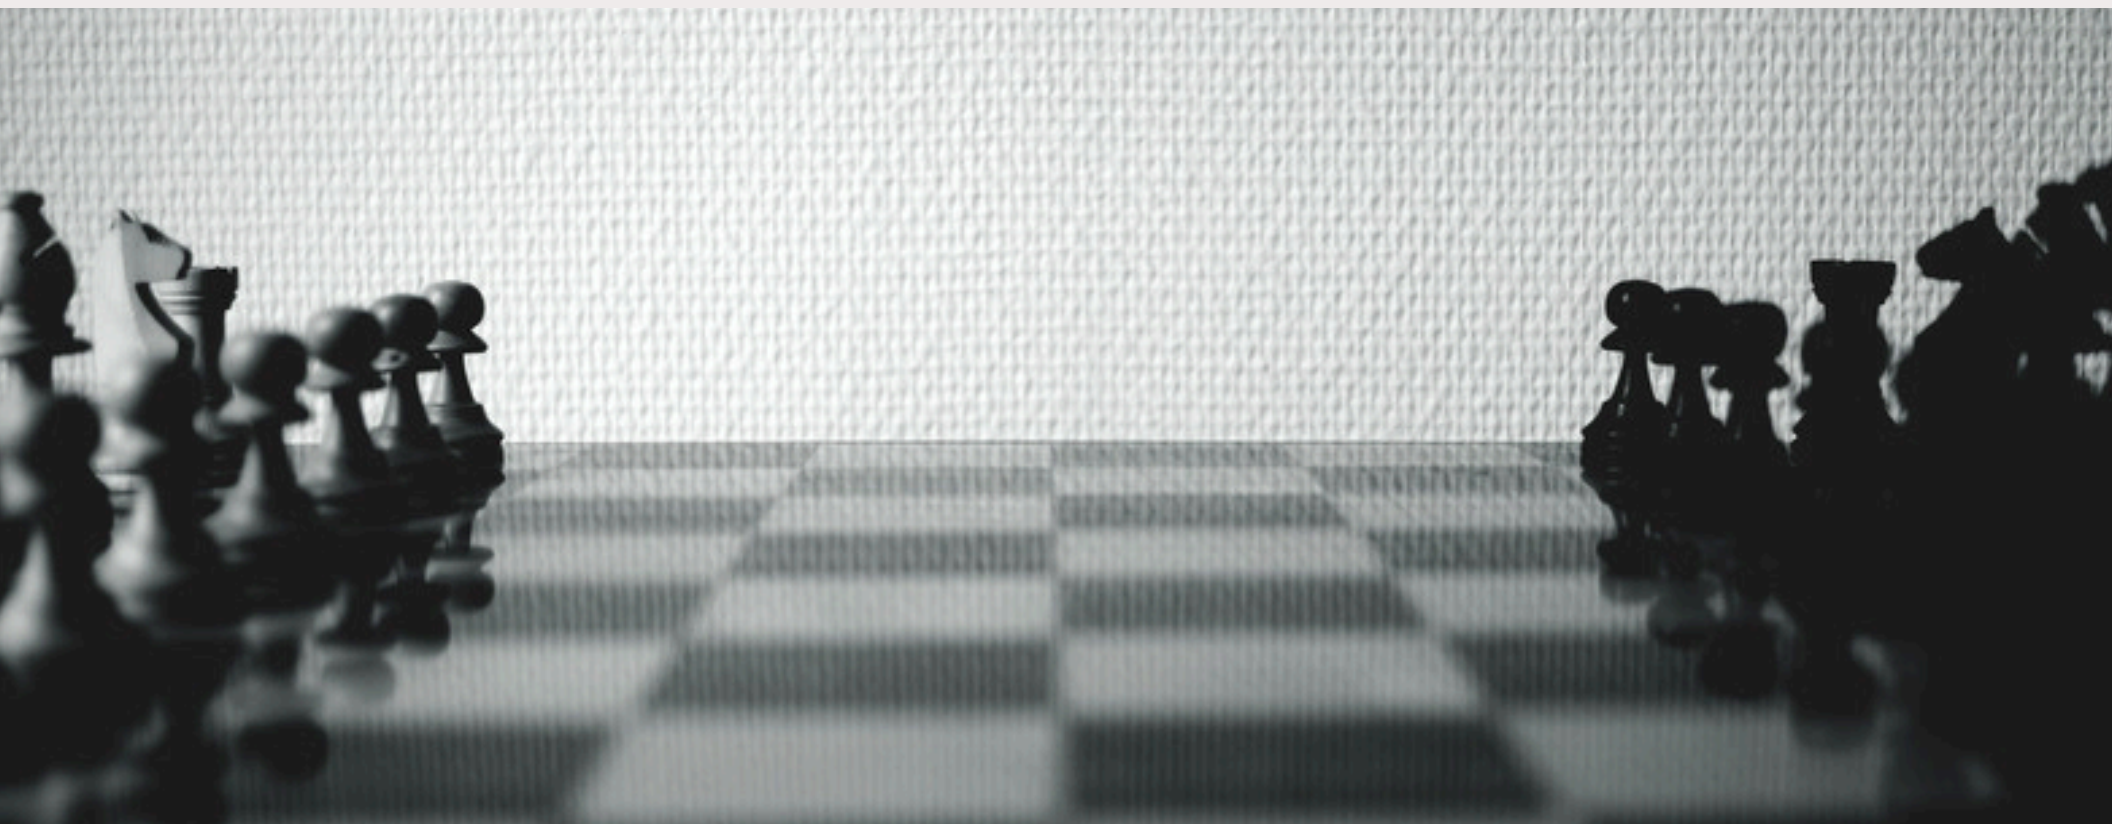

SWEET VIBRANCY NO

TRANSGRESSION HOW DO YOU APPEAR UNDER NO OPPRESSION?

STOLE THE DOMINANCE OF SOME COLD STRANGE QUEEN
AND PASSED IT AROUND
FOR EVERYONE TO TRY
SMALL THINGS A LARGE
TURN ABOUT BIG WIND CHARGE
MAKE GRACE KING AGAIN
MAKE IT SO

I guess if you haven't figured it out
You'll be guessing about the blessing
If summer time is too hot
And Alaska is too cold
If the answer to the question
Hath Ye still been bound
Guess I'll see ya around
International man of history
Makes his way thru time lines just fine
Now the centre of the madness
Is the little girls best friend
What exists in sadness
Melancholy is a chore worth the adore

“—

The breakdown of language and
communication is key to the altering of
human civilization.

—”

AS THE WORLD
DESCENDS INTO CHAOS
I SAY THIS
IT'S ALWAYS BEEN
MADNESS
THE BLINDS JUST GOT
RAISED

Turned down the decimal to infinitesimal
while taking a bite of the scarlet apple
Discovering the mysteries behind
corporations like snapple
Intellectually grapple after
A premeditated prefrontal cortex tackle
Prior to the up dose of poison
They learned to siphon from a black hole
Get at the Bitcoins like a rapper
You're economics be micro; mine is macro

Drawing on misconclusions and illusions
To get to the center
of the Milky Way
Counting on affliction to get me through
All your little windows and doors
All my friends guarding the entrances
To the high domains
All my kingdoms on alert
For mass deception again
Latin speakers pretending to pray
Captains on deck waiting to slay
Chins of children held up high
Watching their Father's stand against the tide
No way back from here
Trap door only needs a kick
Some day we crack the rear
And spill out that stowaway
With a Salva Vida as his only roadie.

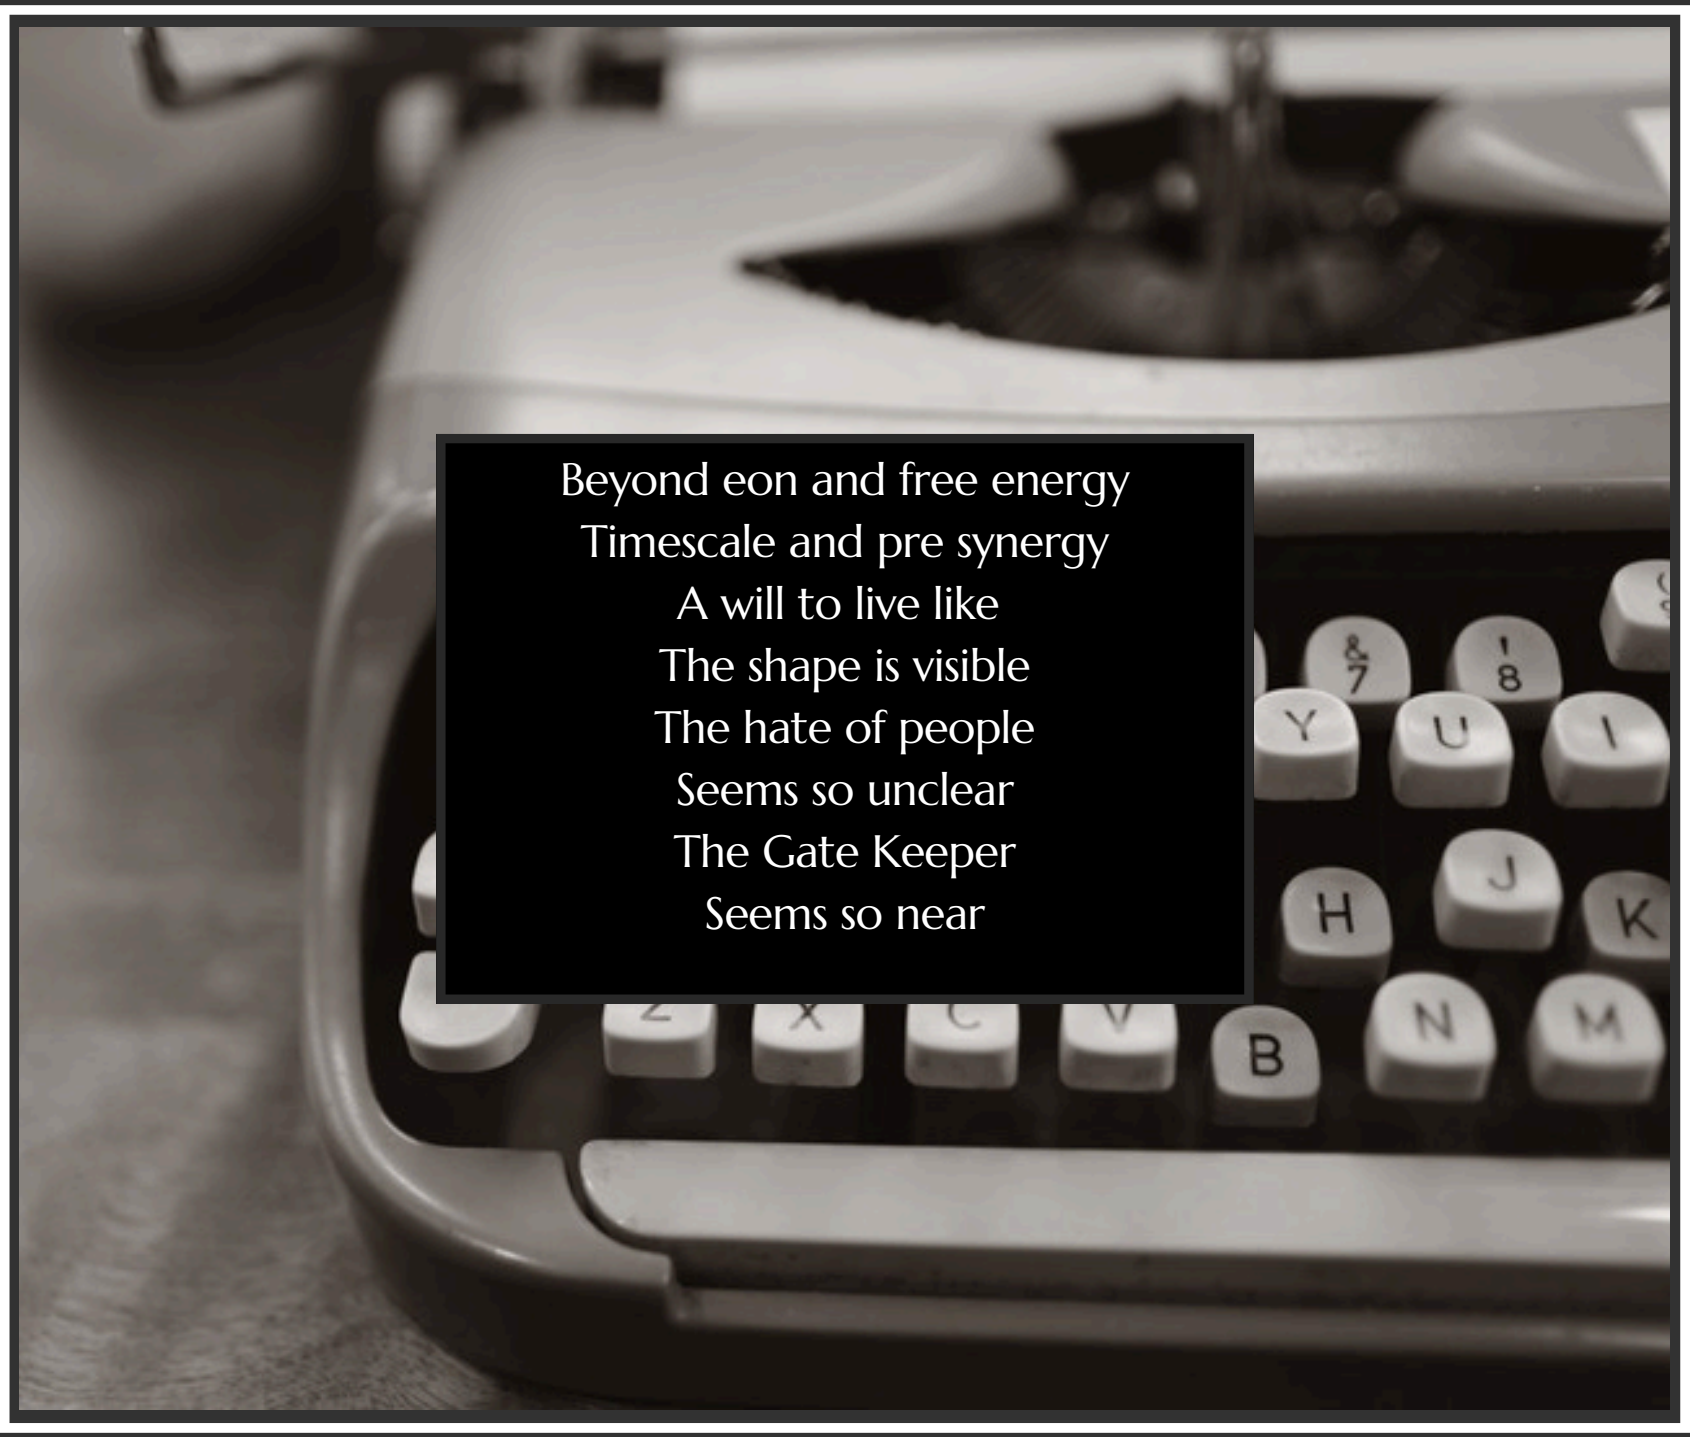

Who gets the credit
I met a man locked away
He had invented our modern
inventions
And suffering for the deed
In a world of theft and greed
He walks amongst us quietly
Waiting upon each hand shake
Along the way
Each one is a sun
And each sun circling a galaxy
You see the one that is famous
Then do you see the others
Scattered in the distance
As the camera distorts the
reality

*The trap
has been set*

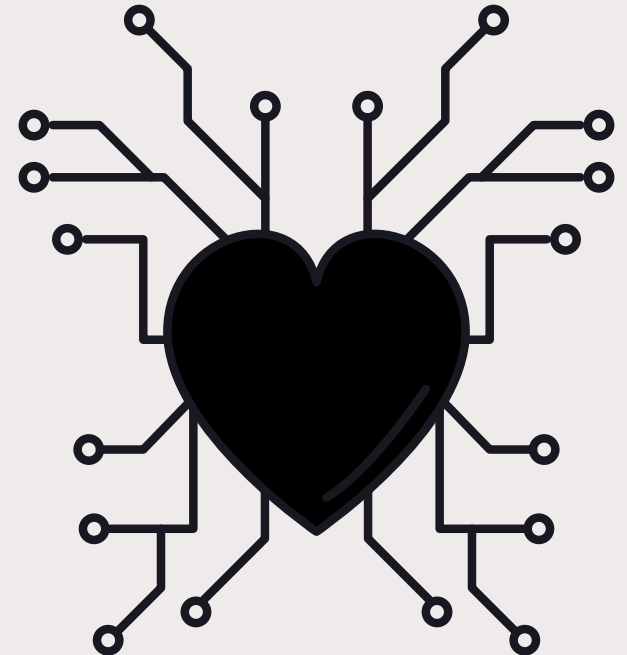

*And you can't help
O touch the
Cheese
It's carrots to gold
It's tears to be told
Similitude
Multitude
Clouds of hot and cold
She's a little thing
Drags the universe by its toe*

A vintage typewriter is shown in a close-up, slightly blurred photograph. The typewriter is light-colored, possibly white or cream. The keyboard is visible, with keys for 'Y', 'U', 'I', 'H', 'J', 'K', 'B', 'N', and 'M' clearly visible. A dark, semi-transparent rectangular box is overlaid on the center of the image, containing white text. The text is arranged in seven lines, with the first two lines being longer than the others. The overall tone is nostalgic and artistic.

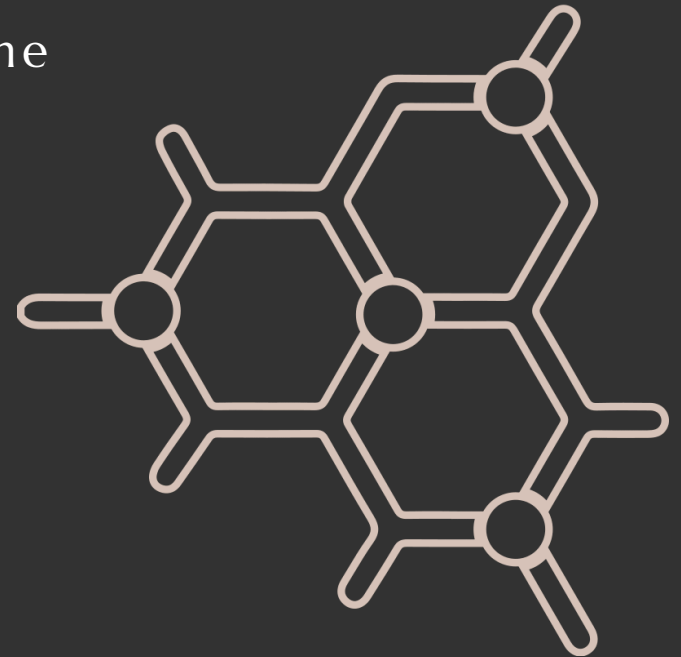

Beyond eon and free energy
Timescale and pre synergy
A will to live like
The shape is visible
The hate of people
Seems so unclear
The Gate Keeper
Seems so near

so i was watching the earth die
from my corner eye
thought y'all could use a boost
because obviously there would be no
Truth nor proof of truth if there ever was
So i turned my music on full blast
Cast my net into your solar system
And disconnected myself
from my home sphere
Now I'm reconnected
Sending messages
I don't know where to start
Your world has touched my heart

THE MUSICS LOUD AND THEN IT'S OFF

Remember the tunes still, hard and soft
Plays in the mind while working
Repeats in times of joy and hurting
The pain connects us over distance and time
Einstein worked at the patent company
Two things entangled quantum
Like static energy to a magician
And it stills haunts him
Now Tesla was a scientist
And a space ship is like Asimov
The technology is alien
And so have you become
Australian or Norwegian
The North is cold
And the South is warm
The sun rises from East to West
The North we pickle the food
Walking with stout
For a month to the Russian Imperial Court

KINDRED SPIRITS CONNECT
EVEN THOSE DARKER SETS OF EYE
LIGHT UP WITH GLEE
WHEN THE LEAVES FALL
FROM THE TREE
UPON THE IMPRISONED AND THE FREE
IT WAS A CHISEL
IN A ROOM ,
FOR ME
IT WAS A WHISTLE
TO THE WOMB
OF THE GREAT GRIZZLY
WHEN DECOMPRESSING THE AIR TANK
OF THE IRON LUNG
THE WALKING MAN
BECOMES AERATED
LIKE AN OLD MAN TEACHING
YOUTH TO THE YOUNG

A false reality, pieces of the picture
Protective or destructive matrices
What we see in moments of
transparency
Latencies deconstructing intervals
Of times comforting complacencies
Doors and filters, methods and crafts
Electrical emitters left on in the mists
Memories and desires like strings
To the ankles and the wrists
Or in a notebook, fresh and crisp

Special circumstance
Judicial proceedings
Do your homework children
Don't stop reading
Know the law
And yourself
Know your doctor
And how to help yourself
The code of conduct
And the system of aqueduct
The lion needs his room to
roam
Don't blame him for
invading his home
If you think the sun will turn
to stone
Take your fear and brush it
back with your comb
In the ages of the past
Our ancestors struggled
To give us a place in the
stars
Don't forget, we are already
amongst

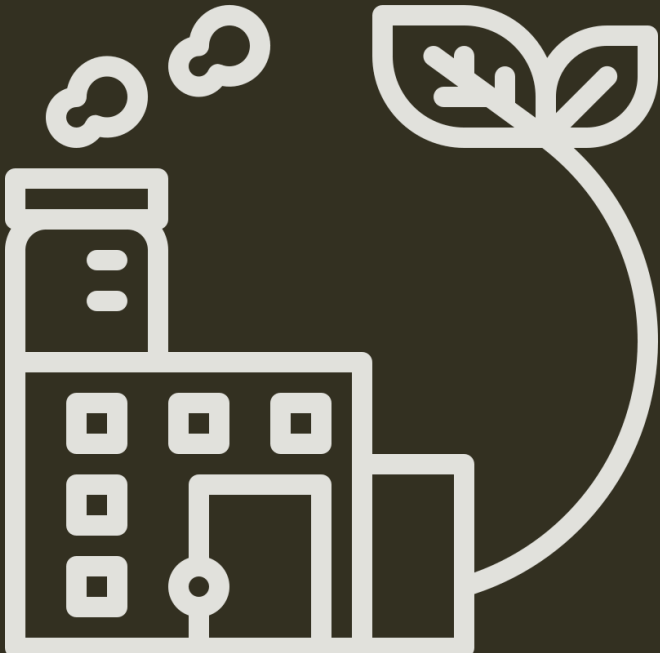

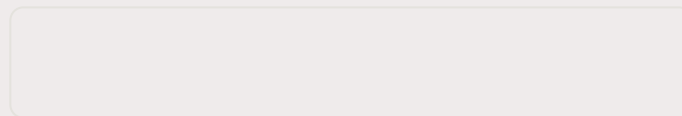

AN ADVANCED FORM OF NON SENSE
IN THE MIRROR OF A FOUNDATION
MISSING THE CORNER STONE
SIAMESE TOWERS BROKEN INTO
INEFFICIENT WIND MILLS
AND THE ENERGY IN THE AIR, STILL IGNORANT TOO?

THE EFFECT'S CHANGING LIGHT STREAM

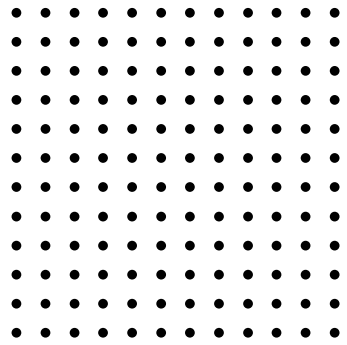

The affects wear off
And we go at it again
The microwave and the stealth jet
No death ray protests by the reagan memorial
Reminded of the star wars initiative
They kept him distracted like a kid in the toy
box
Inventing religions and state of the art moral
codes
With a slick hair cut service comes at ease
A black card in the palm, mark of the beast
Prison number for a concentration camp
release
Entertaining the minds of many with a
Revolutionary speech of evolutionary breech
In the capital, keeping things secure
In the factory, keeping things pure
In the certainty, keeping things sure

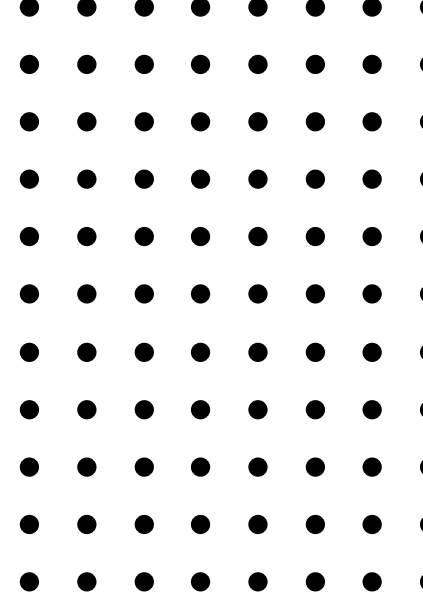

CALCULATED THE FUTURE OF A
GARBAGE FIRE
AN ECONOMIC HIGHER PLANE
ENTER THE DRAGON

THE LYRICIST, THE SPIRITUALIST AND THE IMPERIALIST

“I learned from a sleeping giant
I sought the knowledge of old
kings
I can't repeat the wishing of the
Welsh
Or the sorting of the anarchists
kingdom
Just a Cajun spice
To taste the heavens”

BET ON THE FUTURE
BET ON TOMORROW
PLACE YOUR BETS
THE BATS EAT THE BUGS
AND THE OCEAN
DISSOLVES
ALL YOUR CHEMICALS
STILL DON'T MAKE IT
RIGHT
KICKING GRASS ON THE
SIDEWALK
BECAUSE YOU MISS
YOUR FRIENDS

Laughter and here after
Graph your DNA to the tree of life
Belief in rights like no powerless
nights
Waiting on dark armies to appear
The eyes can see and the ears
Appear to hear
Investigate your brothers sisters
tear
Calibrate to the age and year
She's walking home from work
We pray for her protection
Because she don't see
And does she need to?
Bring down pathogens
Like Dr. Strange
Kill habits like Elmer to rabbits
The gifts be beyond the
knowledge of man
Turn away too quick to
understand
Democracy means we talk about it
It means we walk hand in hand
It means you can't intimidate
The protectors of the promised
land
If you poison the water
Don't ask me why your skin feels
hotter
And you can't sleep at night
And that fox news fake smile is all
you got left

BEEN LEFT BEHIND A FEW TIMES
WAITING ON THE STEPS OUTSIDE
FOR A LITTLE ATTENTION
I SENSE YOUR APPREHENSION
TENSION IN THE STREET
I NEVER MISS A BEAT
STALLONE WITH THE CLEAT
FOX WITH THE FLEET
REMINISCE IS A TREAT
SHOULDERS TOO WIDE FOR THE PLANE
MIND TOO STRONG FOR THE PAIN
COME FROM THE CASINO
I BET ON YOUR GAIN
STOP THE DEATH
AND Y'ALL LIKE IT
EXPECTATIONS OF A DOCTOR NOTE
I CAN'T HELP YET DEVOTE
ALL SONGS AND POEMS TO A KEY

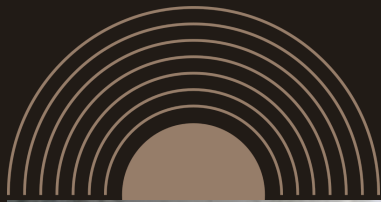

AND IF YOU HAD SEEN
PARADISE ... WOULD YOU
HAVE ACTED
ACCORDINGLY ?

She evaluates psychological disorders
By the categories given to her
By a man in a room that sees doom
Where ever he goes
In space, have you been
On the news, what changes is renewed
Write a story and hop into it
The cataclysm and the catechism
Wonder like a garden hanging from timeless
Days

so i was watching the earth die
from my corner eye
thought y'all could use a boost
because obviously there would be no
Truth nor proof of truth if there ever
was

So i turned my music on full blast
Cast my net into your solar system
And disconnected myself
from my home sphere
Now I'm reconnected
Sending messages
I don't know where to start
Your world has touched my heart

Shall we converse on what we
learned today?
Shall we hide it in the dirt and wait
for another day?
Seems like everyone that knows a lot
gets to pretend that they don't know
anything for a little while
And then its time to get back to work
again
Its stronger now, wouldn't ya know
The backbone of life, you can feel it
can't ya?
Like our spines have been realigned
for the times

EMPTY CUPS JOINING THE PARTY
THOSE THAT DIDN'T STEP OFF THE LEDGE
WHEN WE WERE IN SCHOOL
WHEN WE WERE WORKING ON
JUST BEING COOL
AND THEY WERE PREPARING US
TO BE THEIR FOOLS
AND WE WERE HIGH
SINGING SONGS IN OUR MINDS
TELLING OURSELVES STORIES
OF BETTER TIMES
AHEAD
WHEN WE WOULD CONTROL THE
HEART OF MAN
AND THE BRAIN

WILL IT BE THE SAME WHEN YOU
WAKE UP
MAYBE SLEEP IS SOME DISTANT
COUSIN
WILL YOU STAND BY THE THINGS YOU
SAID
IN THE DAYS OF YESTER
DON'T GET INVOLVED, YOU MIGHT
PESTER
THE TRUTH FROM THE JESTER
IN QUESTION WAS THE LOUDNESS OF
THE MUSIC
IN QUESTION WAS THE SIDE OF TOWN
AND THE POLAR STANCE
PROMISE TO BE A REGULATOR, OR AN
ELEVATOR
THAT MEANS DO NO HARM
THIS HYPERBOLE OF HIPPOCRATES
THIS PLATEAU OF SOCRATES

DISMEMBER TO REMEMBER LIKE SCIENCE
AND CLASS
THE CLOAK OF DEFIANCE AND THE PHYSICS
OF PYRAMIDAL ALCHEMY
ITS THE WAY YOU HOLD YOUR HANDS
THAT GIVES YOU AWAY
ITS THE EYES AND WHATS BEHIND THEM
THATS TELLING YOUR STORY NOW
AND THE COLLAR IS OFF
AND THE LEASH IS BROKEN
THAT WILD SPIRIT ROAMING AMONGST US
LIKE IN THE DAYS OF HIGH ATMOSPHERE
WHEN WE COULD STILL SEE THE
CORNERSTONE

AVOIDING THE PRETENSES OF A CONSCIOUS COLLECTIVE

THAT'S BEEN WHISPERING
SWEET NOTHINGS
SINCE THEY DENIED OUR LORD
WALKING AROUND SHADOW PEOPLE
SO TELL ME, WHO IS THE GHOST NOW?
TRADING PLACES WITH MY COMPETITOR
FROM YEARS OF STUDYING THE PREDATOR
TRACKING MOVEMENTS OF THIS OUT
OF
CONTROL
BEAST
TAKE THE CURRENCY OUT OF THE HANDS
OF EVIL INTENDERS
RENEW THE SPIRIT OF THE WRONGLY DISENFRANCHISED
MAKE WAR NO MORE PROFITABLE
AND WATCH THESE CORPORATE GANGSTERS FALL

IT'S A HOLIDAY TO SOMEONE

Somewhere

It's a happy hour for a globe trotter

Traveling through time

In an upside down 747

Life got boring

Stowed in the

Overhead

Water goes above hair level

Only for a moment

They're all on the tv

Trying out their evil jedi tricks

Trained in closed rooms

To hypnotize crowds and kids

With no remorse

Not even for an actors guild

I'm up early

Sweeping the course

So you don't trip

It's a colouring book

Left out in the rain

Mama I did it

I put the egg man back

Together

on the mind
Parachutes before the planes
TIED MYSELF TO A ROCK
Have you that inventors brain

Before we grow old

I'll re invent the cane

Before we break the mold

We can play the memory game

THREE COLOURS TO
SIGN YOUR NAME
NO COMMUNIST, JUST
WANT TO SHARE
A MASTER OF CHESS;
TRIES TO BE FAIR

I SHATTERED THEIR BODY JUST TO BRING ME CLOSER
BECAUSE IT WAS A WAR AGAINST AN UGLY BROTHER
THEN I HEALED UP AND BUILT A WALL
YOUR SAYING TO YOUR GAL THAN YOUR STILL
SMALL
WELL IT'S A BATTLE FOR FOOD AND FUN
I WONDER WILL THE WIND BRING ME MORE
BECAUSE I BUILT A WALL FROM WATER TO IRON

DIDN'T NOT A SINGLE HUMAN BODY
WISH TO SEE MY TEARS
TO TAKE THIS LIFE
BY THE EARS
I'VE WRITTEN FOR YEARS
AND I'VE GRIPPED THE PHANTOM
SO CONCERN IS LAUGHABLE
AS I WATCH THE WORLD
WISH IT WAS DUST AGAIN
WELL, DUST YOU CAN BE
MY
ANGELS
AND I
DID THE BEST WE COULD
TO
SHOW THE WAY
I'M TAKING THE ONES I LOVE
BE SURE OF THAT

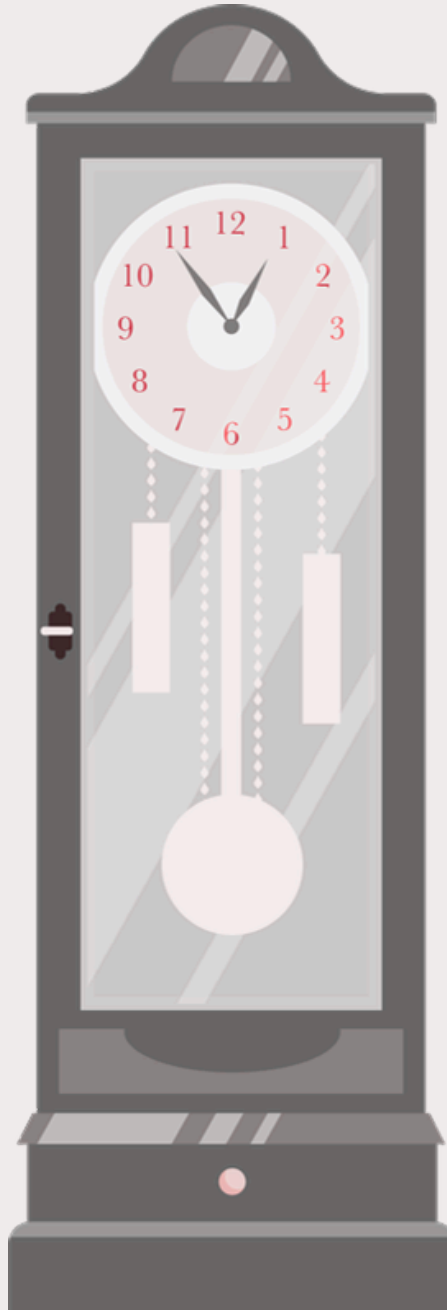

MARIO JUST TRYING TO SAVE THE PRINCESS
LUIGI WALKING BY HIS SIDE
KOOPA IN HIS CAGE
YOSHI OFF THE PAGE
GO KART TURTLE SHELL
GREEN AND RED
ONE IN THE FRONT
ONE IN THE BACK
URCHINS ON THE ROAD
BRAKES MAKE YOU POWER SLIDE
GATHERING COINS FOR FUN
HOWEVER
JUST ENJOYING THE RIDE

JAPANESE WORD
MOTTANAI =
REGRET FOR THINGS
WASTED

I GUESS YOUR ON THE OTHERWISE
WITH A PSUEDO NAME
TELLING US EQUALITY IS
RIGHTEOUS
I SUPPOSE WHEN A TERRORIST
COMES TO FIGHT US
YOU WOULD SAY THAT WE ALL
LOVE ONE ANOTHER
AND I WISH THE SAME
HOWEVER I HAVE SEARCHED
HISTORY
AND FOUND IT'S NOT THE SAME
IDEALOGY OPENS A CHEMICAL
THAT CAN REVEAL A DANGEROUS
TRAIN
I SUPPOSE INEVITABLE WITH
INTELLIGENCE
PLANS HAVE BEEN MADE TO BEND
THE STARS
SCI FI MOVIES AND GREEN TEA
BARS
IMAGINATION SOLD NOT TO THE
WARS

STARING AT THE GROWTH
DOESN'T INSPIRE IT TO MOVE
FORTH
MUST BE THE TILT OF THE
COURSE
MAKES THE SHOT TURN INTO
SPORTS
CENTRE OF GRAVITY
KEEP THE PENDULUM
SWINGING
OR MAYBE THERE'S A FEW
MAGNETS HIDDEN

IF I SOLVE THE PUZZLE
CAN I KEEP THE PALACE?
IF I STOP THE MALICE
CAN I TAKE OFF THE
MUZZLE?
IF JESUS ARRIVES
CAN I STILL CAUSE A
LITTLE TROUBLE?
I THINK I DESERVE A
DOUBLE
AND I PROMISE TO
CLEAR THE RUBBLE
AND BRING THE WORLD
OUT OF ITS BUBBLE

SO NOW FINALLY STEWARDSHIP IS A DISCOURSE
WELL, NOW CAN I INTERCEDE
STOP THAT SNAGGLE TOOTH LIZARD FROM
BREAKING THE TURTLE SHELL
NATURE HAS ITS WAY
WELL SO DO I
AND MAYBE NATURE WANTS US TO INTERVENE

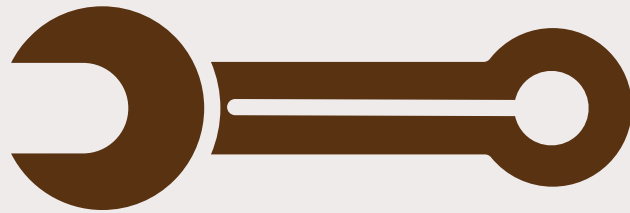

BODY SNATCHERS
FROM A MAN TO A MEMORY
DON'T ADD INSULT TO INJURY
DON'T NEED TO REMEMBER ME
GONE NOWHERE

IN THE WAY OF LIFE
WAS DEATH
THEY GIVE PRESCRIPTION
FOR COMPREHENSION
THEY TELL YE TO BEND THEY WILL

TOO CONSCIOUS TO SELL THE BOOK
DONATIONS FOR REVELATIONS DOESN'T SEEM RIGHT
THE JUNGLE SPECIES FOREST LIFE
REGARDING THE WATER AND SUNLIGHT AS
TRUE CURRENCY AS OPPOSED TO
MEDALLING URGENCY TO THE ILL PREPARED

REGISTERED BOUNDARIES AND SHARED SPACES
LEARNING THE CULTURE OF THE DIFFERENT FACES
ARCHETYPES SCATTERED BY DIASPORA
LIKE A GARDENER PLANTING SEEDS OF FAUNA AND FLORA
SELF DISCIPLINE OVER A NEED FOR DISCIPLES
LIKE MINDED FRIENDS GROWING RIPER
WITH CONTENT OF A FEARLESS GRASP
MEMORIES OF THE PAST
HELPING ONE ANOTHER GROW UP
NOT TOO SLOW NOT TOO FAST

AND SO THE
MAINTENANCE OF THE
MECHANISM OF SUSTAIN
BECAME AS IMPORTANT AS
THE NARRATIVE ITSELF.

AND THE TRICKSTER WOULD HAVE US SHARE OUR BODIES
LIKE MINDLESS VAGABONDS
SO THAT WE CAN BE BOUGHT AND SOLD
LIKE CONCUBINES
WHAT WESTERN MIND HAS TAUGHT US
THAT OUR SPIRIT DOESN'T AFFECT OUR BODY
OR WAS IT FEAR OR THE EAST
THAT MAKES US FOLD
AND CREASE
OUR CLOTHES FOR THE ON LOOKER
LIKE STEAM WE ESCAPE THE PRESSURE COOKER
LOOKING BACK INTO THE VAT
IN REMEBRANCE OF THE BIG BANG BLAST

BREAK THE SHELL
YOU'LL ONLY GET TO THE NEXT STEP
ELECTRO MAGNET

THE HIGHWAY IS A DISTANCE
AND IN THE DISTANCE IS A
PATHWAY
AND IF YOU ARE TO FOLLOW IT
KNOW THAT IT WILL BE AS A
FRIEND
AND A FRIEND THAT CAN SEE
CLEARLY
SO THAT IF YOU HAVE GROWN
TIRED
THE SAND WILL CARRY THE OCEAN
AND THE OCEAN WILL CARRY THE
SAND

AND YE WHO REFUSED DOMESTICATION SHALL BE TREATED WITH RESPECT

To talk about it means possible
exile
When the truth is the only profile
That we must retain
Lest we become not sane
For a loss of reality
Is a dangerous game
The rock that ties us
To the universes brain
Only needs to be attended to
Like a watchmen on a night train
Now for the search of long life
And the faithfulness of a true wife
Comes a growing callous for the
wicked
And an immunity against the
sickened

Raised to fight and not to kill
Raised to kill and not to fight
Praised to fight the kill
Praised to kill the fight
Sapphire and Sweden
Things I wish to see
Keep breathin'
Something I wish to be
If you seek the darkness
There is lots to go around
Will you recall the joy
Was it a face? Or just a sound?

Like a lawyer in the penitentiary
The psych officer and the medic
In cahoots
Soft shoes no boots
Silent steps over owl hoots
Ninja shadow need no troops
No disrespect to recruits
Sir. What you up to in that suit?
Toppling countries?
People trying to squash
One another's opinions
People falsifying important information
And blaming their purchased minions
Stand up
A well balanced scale
Calibrated and ready to weigh
If you can't decipher
These things I say
What's it to me
Just another day
Lost the ability to decay
In the bugs and sun like hey
Quit biting on my body
This blood will take over your mind
This love will consecrate all I find

“THIN AND VISCOUS
ALKALINE AND ACIDIC
YOUR PULLING TREBLE
INSIDE, RIDDANCE OF A DEVIL
WANT TO HELP THE PEOPLE
SAFETY IN THE MOVEMENT
TRADE SECURED FROM THE
WATERWAY
A NATURAL CURRENT MUST
BESTOW A LONGER STAY
AN EQUATION THAT CAN'T BE
DEFINED
AN ELECTRICAL SENSATION FOR
THE BLIND”.

The warning written on the wall
Tears of angels fall
When I come to the city
Don't look at my girl twice
It has been a battle just getting here
so buy me some food and a beer
and i will return the favour
this life you had better savour

HIDING ON THE MOUNTAIN TOP

Then stay while the flood happens

Rapture and keep flappin'

Mouth gums and an entire sea to swell

Did ya flee from the circus

Hippo dermus, elephantskin

The background features a light cream-colored surface with torn edges. In the top-left and bottom-right corners, there are black and white photographs of dried, pressed flowers, likely Queen Anne's lace, with their intricate seed heads and stems visible.
